**Phone** +48 728844589

**Date of birth** 2004-08-31

**Website** <https://yeahright18.github.io/Portfolio/>

I am an IT specialist constantly striving to gain new experiences and skills. I thrive in the dynamic environment of new technologies, I navigate the Internet efficiently and I have high communication skills, both in Polish and English. My passion is cybersecurity, in which I constantly develop by participating in courses preparing to obtain industry certificates. During the weekends, I study ICT Networks at the AHE University in Łódź. I am always focused on both professional and personal development.
